

# About **ADM**

For more than a century, the people of Archer Daniels Midland Company (NYSE: ADM) have transformed crops into products that serve vital needs. Today, 31,000 ADM employees around the globe convert oilseeds, corn, wheat and cocoa into products for food, animal feed, industrial and energy uses. With more than 270 processing plants, 470 crop procurement facilities, and the world's premier crop transportation network, ADM helps connect the harvest to the home in more than 140 countries. For more information about ADM and its products, visit [www.adm.com](http://www.adm.com).

## About ADM's **Internship Program**

The ADM Internship Program is designed to provide a training ground for potential future employees and serves as our primary source for full-time employment. ADM provides company paid housing for interns that qualify.

These are paid internships. In addition, standard costs are reimbursed for relocating to and from the assigned location. Students are responsible for providing their own means of transportation. Internships are US-based; typically in the Midwest.

ADM requires the successful completion of a pre-employment drug screen and background check.
