

## **BPI Career Bulletin**

Beef Products, Inc., the world's leading manufacturer of boneless lean beef, is headquartered in the heartland of America, Dakota Dunes, South Dakota. Since its inception in 1981, BPI has operated with one simple guideline, to be the best at what we do. This drive to be a leader within the meat industry has resulted in continuous development of new processing techniques, sanitation programs, and food safety innovations.

### **Interviewing for positions in:**

*Operations Management*

*Quality Assurance*

*Sales & Marketing*

*Research & Development*

*Technical Services*

*Maintenance Management*

*Mechanical Design & Drafting*

*Engineering & Construction Management*

*Machine & Assembly Operations*

*Finance & Accounting*

*Human Resources & Safety*

*Transportation/Traffic/Scheduling*

*Purchasing & Warehouse Management*

**Training Programs available:** BPI's training programs offers an excellent opportunity to learn overall product knowledge. Newly hired employees train with qualified personnel to learn company procedures and policies. This is accomplished through an individually paced, hands-on training. Work is gradually increased as the individual becomes more proficient.

We are looking for individuals who are hard working, motivated, and are seeking a challenge. Also must be willing to work flexible hours including weekends. We offer growth and advancement opportunities with a competitive compensation and benefits package.
